RE: Application of Network Communications International Corporation for Approval of Alternative Regulation  
**Docket No. 2008-175-C**

Dear Mr. Terreni:

The South Carolina Office of Regulatory Staff (ORS) has reviewed Network Communications International Corporation's application for approval of Alternative Regulation.

The approval of alternative regulation will provide the company the flexibility to modify its tariff in a timely manner and the ability to respond to market conditions related to pricing of consumer card services and operator services.

After review and consideration of the companies' filings, ORS does not oppose Network Communications International Corporation's request.

If you have any questions concerning these matters, please let us know.

Very truly yours,

  
C. Lessie Hammonds
